

MAYOR'S MESSAGE – May 2021

National Wildfire Awareness Month

May has been designated as wildfire awareness month. The weather is warming with temperatures already reaching the 90's. The Village has been blessed with rain the past week and the vegetation is not as dry as it has been this spring. We continue to have weather fronts blow through the Panhandle with high winds and they usually bring drier air and red flag warnings when the temperature rises. Everyone should be vigilant and be Firewise concerning vegetation around your home. Remember to keep tall grass mowed and keep a defensible fire area around the perimeter of your home.

Village Cleanup/ Chip Site – April 24, 2021

Village cleanup was held on Saturday, April 24th. Weather was great but the turnout this year was light. The Garden Clun cleaned up around the gates and tended to the flowerbeds. A “thank you” goes out to everyone who participated in the cleanup. The chip site is closed and we are asking everyone to NOT bring any more brush or limbs to the chip site. The Texas Forestry Service will be here soon to chip the brush at Hackberry. They have had some equipment issues with the chipper but they should be fixed in the next couple of weeks.

May Board Meeting – May 14, 2021
