

MAYOR'S MESSAGE – July 2021

TimberCreek Village Day – June 26, 2021

On Saturday, June 26th, we celebrated the annual TCC Village Day at the Pavilion in the Park. Over 100 residents and guests attended the celebration. Participants enjoyed a great social event with plenty of good food prepared by Brian Giffin and his crew and entertainment from Jackie Haney's "Geezers Gone Wild". Special recognition is needed for those who made this year's celebration possible. Thanks to David Bernal for preparing the grounds by mowing and spraying for pests, he did a great job. Thanks go out again to Brian and Dorothy Giffin for cooking the delicious hamburgers and hot dogs plus all their work for preparing the tables and organizing the serving lines. Thank you to the Garden Club for all of the wonderful deserts they prepared. There were many outstanding deserts to satisfy the most discriminating sweet tooth. The entertainment was terrific as usual with music from "Geezers Gone Wild". The audience enjoyed their songs from the past and many took advantage of dancing in the Pavilion.

Several members of the TCC Police Department and their families attended the celebration and we welcome the new officers to our community.

The festivities were highlighted by the marriage proposal of Doug Messer to Carol Williams. Carol accepted Doug's proposal and we wish them the best although we have not heard a date for the upcoming nuptials.

Again, the evening was a great success although it was cut short by rain. Thanks to everyone who helped make this event the success and here is hoping the 2022 TCC Village Day will be an even bigger and better. *Village Day photos provided by David Massey.*

Water Over the Dam (x 3)

The Village continues to receive rain and with water already in the creek, it takes less water to fill the creek and flow over the road and spill way. Friday afternoon water began rising and running over the road for the third time this spring/summer. By 4:00 p.m. water was about 9" over the road and by 8:00 p.m. the water was running 14 to 15" which required closure of the road until Saturday at noon.

As a reminder, the Village will close the road anytime the water level rises above 12" on the dam. Although many residents have pickups or vehicles with a high wheel bases, you need to be careful crossing the dam in high water. If you decide to circumvent the road closure signs and cross the dam, you do so at your own risk. If you have a small car or one with a short wheel base exercise extreme caution when attempting to cross high water. Always approach running water with caution and check the water level gauge to determine the depth of the water. If you lose traction and the water pushes your car against the rails on the dam, do **NOT** exit your car and attempt to wade through the flowing water. Use your cell phone and call for help. The roads are closed during high water for safety of our residents and visitors. Please exercise caution and be safe!

4th of July

Here is wishing everyone a great July 4th holiday. There have been no reports of fireworks being discharged in the Village and it is hoped that everyone is aware of the new signs at the gates. Thanks to Ayne Sharp and Elaine Dollar for having the signs printed. The signs will be taken down within a week and saved for next year but the ban on fireworks extends throughout the year. Have a great 4th weekend and be safe.

Board Meeting – July 8, 2021

Items of interest*:

1. DISCUSS, CONSIDER, AND TAKE APPROPRIATE ACTION ON APPOINTMENT OF A SCORING COMMITTEE FOR AUDIT PROCUREMENT
2. DISCUSS, CONSIDER, AND TAKE APPROPRIATE ACTION ON TECHNICAL INSPECTION OF DAM AND POSSIBLE REPAIRS
